

11th September 2025

Dear Families

Family Survey and Open Days 2025

Many of you will already be aware that our students achieved record breaking exam results this summer and the best in the academy's history. To put this into perspective, on average **every student** achieved approximately **one grade higher in every subject** compared with previous years! This is a fantastic achievement and a real testament not only to the hard work of our students and staff, but also to you, our families, whose ongoing support makes such a difference.

There are several key reasons behind these strong results. First and foremost, as you're aware, students' attendance has improved. Being 'In School, On Time', every single day is one of the most important factors in a child's success. Alongside this, our academy is nationally recognised for the exceptional behaviour and conduct. The calm and focused learning environment we have built allows every child to thrive. We are also proud of our Fundamental Ideas Curriculum and the consistently high quality of teaching delivered by our expert teachers.

In addition to helping students secure strong examination outcomes, we remain committed to developing their character through enrichment and wider opportunities beyond the classroom. This year, we will continue to focus on motivating and inspiring students so they can make the very best of every day at the academy.

Have your say!

As we look ahead, your feedback is invaluable in helping us to sustain and build on these successes. Please take a few moments to complete our [Family Survey](#) which will help us to understand your views and further strengthen our work together.

Open Days

Instead of holding an Open Evening this year, we are delighted to announce a series of Open Days on:

- Wednesday 1st October 2025 at 9 – 10.30am
- Thursday 2nd October 2025 at 9 – 10.30 am
- Friday 3rd October 2025 at 9 – 10.30am

I warmly invite all of you to join us on one of these mornings. If you have ever wondered what the Wells looks like during a typical day, this is a wonderful opportunity. Each session will include a talk from myself, a guided tour of the academy where you can see students learning in classrooms and a chance to ask questions to members of staff. Please follow this [link](#) to book your place. I very much look forward to welcoming many of you into the academy!

Yours sincerely

Mr G Coles
Principal
