

5th June 2026

Dear Families

Early Study Leave

Thank you for your continued support during this examination season.

Having taken feedback from stakeholders, I am writing to inform you that Year 11 students will go on study leave from this afternoon, **Friday 5th June 2026**. During study leave, students are only required to attend the academy for their examinations. Students' next examination is Science which will take place on **Monday 8th June 2026**, in the morning. As with any morning exam, students are expected to be here at **8.30am**.

Unless you have been contacted directly by the academy, please note that Year 11 students are welcome to continue to attend their timetabled lessons. Our expert teachers will continue to be available to support students should they wish to benefit from additional instruction. Students that would like to take advantage of this opportunity must remain on site for the entire day following their usual timetable.

Please note that students are required to continue to wear Perfect Uniform when they attend examinations. If students have examinations in the morning, they will leave the academy immediately following their examination. If students have examinations in the afternoon, they will need to arrive at the academy at 12.45pm ready for the start of their exam at 1pm.

Further information will be shared with families regarding the Year 11 GCSE Results Day that is taking place in August.

As always, thank you for your continued support.

Yours sincerely

Mr G Coles

Principal
