

# THE WELLS ACADEMY

INTEGRITY • RESILIENCE • AMBITION

14<sup>th</sup> July 2026

Dear Families

## Thank a Teacher at The Wells Academy

As we approach the end of another successful academic year, I wanted to take a moment to express my sincere thanks for your ongoing support throughout the year. Your commitment to our academy community plays a vital role in helping our children thrive and we are incredibly grateful for everything you do.

It has been a hugely positive year for our academy. One of the highlights, of course, was our Ofsted inspection outcome, which was a fantastic achievement and a reflection of the hard work, dedication and commitment shown by our entire academy community. We are immensely proud of what we have accomplished together.

Another area of significant success this year has been attendance. As many of you know, attendance continues to strengthen year on year, and we are now proud to be in the top 10% of schools nationally. This accomplishment is a testament to the value that our families place on education and the collective effort we have all made to ensure that children are 'In School, On Time'.

Last year, we started a new tradition by inviting families to share messages of thanks and appreciation for members of staff. I had the privilege of reading these messages aloud to staff on the final day of term and it was such a positive and uplifting way to end the academic year. The messages served as a powerful reminder of the difference that our staff make every single day.

I would therefore like to invite families once again to share a positive message, a word of thanks or a reflection about any member of our staff team who has made a difference to your child or family this year. I will share these with staff on the final day of term (Friday 24<sup>th</sup> July 2026). If you'd like to contribute, please use the form below to leave a message for an individual staff member or for the team as a whole. Even a single sentence can make a big impact.

Thank you in advance for helping us end the term on such a positive and uplifting note. I'll be in touch soon with details about arrangements for the start of the new academic year.

Yours sincerely

**Mr G Coles**
