

THE WELLS ACADEMY

INTEGRITY • RESILIENCE • AMBITION

18th September 2026

Dear Families

Water bottles in school

As part of our commitment to reducing plastic waste, from **Monday 2nd November**, following the half term break, students will no longer be able to purchase plastic bottles of water from the dining hall. Cartons will continue to be available to purchase as normal.

We encourage all students to bring a reusable water bottle to school each day. Bottles can be refilled using the water dispensers available across the academy and we are installing several additional dispensers over the next few weeks.

For the remainder of this half term, students may continue to purchase plastic bottles of water from the dining hall. These must be consumed in the dining hall and cannot be taken elsewhere on the academy site.

Students who would like to have water with them throughout the school day should therefore bring their own reusable bottle.

We recognise that purchasing a reusable bottle may be difficult for some families. If your child needs one, please contact us at admin@thewellsacademy.org and we will provide a bottle for them after the half term break.

Thank you for your support with this change and for helping us to reduce plastic waste across the academy.

Yours sincerely

Mr G Coles
Principal
